STRESS AND ANXIETY RELIEF TECHNIQUES (In Person)

We've all experienced stress, and these days it seems to be worse than ever! In this class, we'll learn what stress actually is (this, by itself, can be very helpful in dealing with it); we'll learn a few surprising facts about stress; we'll delve into why, specifically, it isn't good for us; and, finally, we'll experience several all-natural, very effective ways to reduce, eliminate or avoid it altogether. Many of these techniques are so quick and easy to do that you can use them anywhere you happen to be: home, work, or sitting in your car waiting for the light to change. Improve your life today! (Please dress comfortably, and bring a notebook and pen or pencil with you.) Taught by Frances M. O'Brien, Certified in Advanced Emotional Freedom Technique.
