REFUND POLICY

There will be a \$10 charge for each refund OR transfer requested. Refund or transfer requests may be granted if presented in writing at least 5 working days before the first class meeting unless otherwise noted. Please choose classes carefully, as refunds, transfers or credits CANNOT be granted once a class has begun.

Refunds or credits WILL NOT be issued for absences or late registrations. If you miss some meetings of a class you cannot make them up in another class. Refunds are not made on the basis of not receiving a confirmation.

Aquatics classes and lessons are offered rain or shine unless: a) It is raining so hard that the bottom of the pool is not visible, b) There is lightning in the immediate vicinity, or c) It is so cold that ice forms on the pool deck. If these conditions are not present and you decide to not attend a swim class or lesson due to inclement weather, there will be no refund, make-up lesson or credit granted.

Refunds are given when the College cancels a class or program. If you cancel your registration less than five working days before it begins, NO REFUND will be given. There will be a \$10 charge to change a class.

PARKING INFORMATION

A parking permit is required to park in any campus parking lot. Please visit the Community Services website to purchase a semester permit and get the latest updates on parking information.

REGISTER EARLY

Minimum enrollment is necessary to maintain each class. Unless the minimum is reached before the first meeting of the class, it will be canceled. Some classes fill rapidly and the maximum may be reached before the final registration date. A \$2 per class nonrefundable registration fee as mandated by the Board of Trustees at their Dec. 11, 1985 meeting, is included in class fees.

SUPPLY AND MATERIAL FEES

Please be aware that some Community Services classes have additional supply, handout or book fees. You MUST purchase the supplies necessary to take the class at the time you register. Supply fees are paid to the Community Services Department. You WILL NOT be able to participate in class unless you purchase the supplies. You will receive the supplies at the first class. Supply fees will only be refunded if class is canceled or the student withdraws from class at least 5 days prior to class start date.

ATTENDING FIRST SESSION

Preregistration is required for all classes and workshops. If you register late, you must show your receipt to the teacher at the first class meeting. The teacher will verify the class number, date and the student's name. Keep your receipt. Only persons with an appropriate receipt will be considered.

All information listed herein is subject to change at any time without prior notice.

PHOTOGRAPHY BEYOND SNAPSHOTS/FOCUS ON COMPOSITION

Learn to take interesting photos of almost any subject, stretch your creative eye, and hone your observation skills. Class will focus on specific visual composition concepts and depth of field to improve your photography beyond an ordinary snapshot. We'll split our time between discussing photo concepts, shooting photos, and reviewing images. In addition to taking photos around the LAVC campus, students are encouraged to bring a non-fragile object to photograph. Any camera may be used. "Cameras don't take pictures, people (photographers) do." Anonymous

MEDICAL CODING & BILLING SERIES

Los Angeles Valley College Community Service Department will issue a certificate for the “Medical Insurance Billing Specialist” after the student has successfully completed all 3 classes: Medical Terminology, Coding, and Medical Insurance Billing classes (attendance & examination requirements must be met before each class ends). After completing all 3 classes students are qualified to sit for the exams in either AHIMA or AAPC.

PART 1: MEDICAL TERMINOLOGY (ONLINE)

This introductory course provides students with a solid foundation in medical terminology applicable across a wide range of healthcare specialties. Students will study Greek and Latin word roots, basic anatomy and physiology, common pathological conditions and procedures, and the rules for constructing and interpreting medical terms. The course is designed to prepare students for entry-level employment in hospitals, clinics, and private medical and dental practices. Weekly quizzes and homework assignments will be used to assess and monitor student progress.
